

# JULIE GRISHAM INTERIORS

To Whom It May Concern:

I have been working with Libra Tech for about 20 years and have nothing but the best things to say about them. We have done many Library projects together and they have shown the utmost of professionalism in all aspects of a project.

They help with layouts of shelving and furnishings, pricing products, and following up on the delivery of the furniture. They are very easy to work with and get back with answers very quickly. They are great with customer service.

Libra Tech always makes sure that the product arrives in time and they have a great installation crew. The Central Arkansas Library System has standardized on their shelving because of these merits. They are a very dependable company and I would recommend them to anyone.

Thank you,

Julie Grisham, ASID, ASRID #5240
