To Whom It May Concern:

It has been my pleasure to work with Libra-Tech Corporation over a period of several years. At various times, furniture and shelving needs within the Allen Public Library have been fulfilled by Penny Gromatzky and her staff with utmost care and consideration of client satisfaction.

By far, the largest single project was the move from the previous library to a new, larger facility in 2005. Libra-Tech handled the dismantling, re-location and installation of all the library's shelving, re-conditioning of used library furnishings, and the ordering and installation of new library furnishings as well as all office furnishings systems. Penny and her staff worked tirelessly to make sure we were completely satisfied, continuing to respond cheerfully when contacted for sometime after the initial move.

We have continued to order items as needed from Libra-Tech and consider this company a valuable resource. I am pleased to recommend Libra-Tech to others who may be considering using their services.

Sincerely,
